ROGUE REVISITED

=====

Lucy Saunders, author of *Cooking with Beer*, asked "Is there a Rogue in the House?" Lucy discovered there were plenty. She joined about 100 other folks at the Rogue Ales Public House in Portland on July 25th for a memorable event--a beer and cheese tasting with the godfather of homebrewing and all things beer, Fred Eckhardt. Lucy's web page revisits the event and includes details on the cheese and beer pairings.
